**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

As a rural customer, I depend upon third- party support to use unbundled AT&T copper lines in order to receive internet access. Currently, fiber optic is not available in my area. Please do not bend to special interests who intend to eliminate access to the crucial infrastructure that enables customers such as myself to have adequate internet service. Do your job and protect the consumer and enforce the 1996 Telecommunications Act.
